

BOGA & ASSOCIATES

Press Release

It is with pleasure to announce that for this year again Boga & Associates is ranked as one of the most recommended firm in the 2012 IFLR (International Financial Law Review) 1000 Edition, the Guide to the World's Leading Financial Law Firms.

International Financial Law Review considers Boga & Associates as the elite law firm in Albanian market.

Clients say that “they were capable and gave information and expertise. They were more experienced than us and technically we rate them very highly”.

Other clients say “we benefit from all their possibilities, in Kosovo and the region” and “they have much experienced and also new staff who are qualified in specific fields”.

“The firm has been praised by clients for being attentive to their needs and one described it as accessible, responsive and wise”.

About International Financial Law Review

The ILFR 1000 is a guide to the world's leading financial and corporate law firms compiled by an independent team of leading specialist journalists in 100 jurisdictions.

Ranking are compiled by a team of specialist legal journalists based in New York, London and Hong Kong.

They are based on the recommendations of in-house counsel at the global financial institutions and companies, as well as the leading lawyers in each legal market covered.
